Donkey Kong is on the loose! Donkey Kong is at it again. This time he's loose in the greenhouse. And he's got company. A swarm of very pesky bees. It's up to you to get Donkey Kong out of the greenhouse and exterminate the bees without hurting the flowers. But that's easier said than done. Because Donkey Kong has plenty of coconuts to hurl at you. And those bees know just where to sting you so it hurts. The prices shown are the lowest prices available for Donkey Kong 3 the last time we updated. We do not factor unsold items into our prices. You must own the cartridge to download. AAKVZALL Normal bees explode. TEXKVGLA Speeding Stanley All Rights Reserved. A popular character, DK has appeared in many video games, along with his friend Diddy Kong. Donkey Kong appeared as Mario's first opponent in Nintendo's popular 1981 arcade game, Donkey Kong. Soon becoming more friendly, he has starred in his own Donkey Kong series, starting with sequels of the arcade game and 1994's Donkey Kong Country for the Super Nintendo Entertainment System SNES. He remains an important ally in the Mario series, such as the Mario Kart games. DK debuted at the same time as Mario, and he still appears with the plumber on occasion, appearing as a playable character in the Mario Kart and Super Smash Bros. He presented the modern look to Nintendo and was immediately approved for the high-resolution 3D medium. Although the character design has been tweaked over the years, Donkey Kong's appearance remains consistent since the last modification by Bayliss. The series also introduced Diddy Kong as DK's sidekick and best friend, and King K. Rool, king of the Kremlings, as his nemesis who steals his and Diddy Kong's banana hoard.

While retaining the red necktie he's had since the Game Boy game, Donkey Kong, he also donned a distinct physical appearance featuring heavy brows and a peaked lock of hair on top of his head. This would become the standard look for Donkey Kong still used over two decades later. The modern Donkey Kong is portrayed as a powerful yet laidback ape, who is interested mainly in his banana hoard and his girlfriend, Candy Kong. Brawl, Super Smash Bros. Donkey Kong attempts to hinder the player's progress by throwing barrels, springs, and other objects towards Jumpman. The ape reappeared the following year in the sequel Donkey Kong Jr., where Donkey Kong is taken captive and locked in a cage by the renamed Mario, while Donkey Kong Junior sets out to rescue him. Donkey Kong resumed his antagonistic role in Donkey Kong 3, this time the character Stanley the Bugman taking Mario's place as the protagonist. Stanley fights Donkey Kong's attempts to invade a greenhouse along with a horde of killer bees. The 1994 Game Boy version of Donkey Kong marked his reemergence as a major character. Although the precise canon may not have been determined by Nintendo, the manual for Donkey Kong Country stated that the main protagonist in this game is actually the grandson Donkey Kong III, son of Donkey Kong Jr. of the original Donkey Kong. Despite his name being in the titles of both games, DK is the damsel in distress in the sequels Donkey Kong Country 2 Diddy Kong Quest and Donkey Kong Country 3 Dixie Kong's Double Trouble!, where he is captured by K. Rool. In these games, the player controls Dixie Kong and one of her fellow Kongs as they set out to rescue him. The Donkey Kong Country series also inspired the Donkey Kong Land series and a television series. In Donkey Kong 64, King K. Rool has driven a mechanical Crocodile Isle in front of DK Island after stealing all of Donkey Kong's bananas and friends. Donkey Kong Jungle Beat was released on March 14, 2005 in North America for the GameCube.

<https://www.becompta.be/emploi/curtis-dvd-player-instruction-manual>

It depicted DK as being more violent than his original image and also used the bongo controllers. Donkey Kong. A throwback to the Donkey Kong game for the Game Boy, Donkey Kong resumed his antagonist role from his earlier games by taking over the Mario Toy Company, upset over the lack of Mini Mario toys available for purchase. The game was followed by a 2006 sequel

titled Mario vs. Donkey Kong 2 March of the Minis, where Donkey Kong, who is infatuated with Pauline, kidnaps her and takes her to the roof of the Super MiniMario World amusement park when she ignores a Mini Donkey Kong toy in favor of a MiniMario. He also once again appeared as the antagonist in Mario vs. Donkey Kong Minis March Again. In the 2010 Wii game, Donkey Kong Country Returns, Donkey Kong and Diddy Kong get rid of the Tiki Tak Tribe, who appears on Donkey Kong Island and hypnotizes various creatures. In the 2014 Wii U game, Donkey Kong Country Tropical Freeze, Donkey Kong sets out to get his home back from evil Vikings known as the Snowmads. Super Mario Kart featured Donkey Kong Junior as a playable character. The modern Donkey Kong made his first appearance in the series with Mario Kart 64, and been in every game to date since. He made an appearance within Mario Party 8, once again as an incidental character on the game board. Donkey Kong also appears in Mario Party DS and in Mario Party 9 as a nonplayer character, though he came back as playable in Mario Party 10 and in Mario Party Star Rush along with Diddy Kong. Donkey Kong appears as a contender in Mario Party The Top 100, and later as an unlockable, playable character in Super Mario Party. Donkey Kong was also a selectable character in Mario Tennis, Mario Power Tennis, Mario Tennis Power Tour, Mario Tennis Open, Mario Tennis Ultra Smash and Mario Tennis Aces. Donkey Kong is playable in Mario Golf, Mario Golf Toadstool Tour and Mario Golf World Tour but not Mario Golf Advance Tour.

Donkey Kong featured in Super Mario Strikers for the GameCube and made his first appearance on the Wii within the title Mario Strikers Charged as a playable soccer captain. In Mario Super Sluggers, he appears as a captain again. Donkey Kong also appears in Mario Superstar Baseball. He is also playable in Mario Hoops 3on3 and Mario Sports Mix. He appeared once more in Super Smash Bros. Both Donkey Kong and Diddy Kong returned to the series in Super Smash Bros. Jungle Japes from Melee returns in the 3DS version, and both Kongo Jungle from the original Super Smash Bros. Along with Bowser, he is also a playable guest character in the Nintendo versions of Skylanders SuperChargers. Super Mario Maker features Donkey Kong as a Mystery Mushroom costume. Two minor enemies in Super Mario RPG bear a striking resemblance to Donkey Kong. Both Donkey Kong and Donkey Kong, Jr. He has been seen in the audience of some games in the PunchOut!! series. He also serves as the hidden opponent in 2009's PunchOut!! on the Wii. During Rares time, references were seen throughout Rares games. In Banjo Tooie, Bottles daughter, Goggles, is seen holding a Donkey Kong plush doll. Also in the workers quarters in Gruntys Industries, the DK logo is seen on the fridge. The 1983 animated anthology series Saturday Supercade featured cartoon segments based on the original Donkey Kong arcade game. In the segments, Donkey Kong, voiced by Soupy Sales, was an escaped circus gorilla on the run from Mario and Pauline, who seek to recapture him. A second series of segments based on Donkey Kong Jr. Donkey Kong later appeared as a recurring antagonist in the 1989 animated series Captain N The Game Master, voiced by Garry Chalk. He is depicted as the territorial and easily angered ruler of Kongoland, and must be fed to be appeased. Donkey Kong was also the main character of the 1996 Donkey Kong Country animated series, in which Donkey Kong fought to protect Kongo Bongo Island and the mystical Crystal Coconut from King K.

Rool and his Kremling henchmen. Donkey Kong was voiced by Richard Yearwood, with his singing voice performed by Sterling Jarvis. You can help by adding to it. March 2019 Official Nintendo Magazine. Archived from the original on November 10, 2014. Retrieved February 28, 2013. Miyamoto says Nintendos main monkey might not have existed. Indianapolis, Indiana BradyGAMES. p. 39. Wilton, Connecticut GamePress. p. 47. Indianapolis, Indiana BradyGAMES. p. 36. Archived from the original on August 17, 2016. Retrieved May 31, 2007. Shigeru Miyamoto, the games inventor and the one person who unquestionably knows the origins of the name he chose, has repeatedly affirmed that he used the word donkey to convey a sense of stubbornness and the name Kong to invoke the image of a gorilla. As far as I know, our DK is the son of Cranky, which does

indeed make him the original DK Jr. Retrieved July 17, 2010. Retrieved December 5, 2010. Retrieved April 20, 2013. By using this site, you agree to the Terms of Use and Privacy Policy. Followed by Mario Bros. Series Donkey Kong Twitch Donkey Kong 3 Channel Twitter Search Facebook Search Uncharacteristic of the previous games, it is a shooter rather than a platform game. Why Nintendo took Donkey Kong in this direction is unknown, but as Mario's fame began to escalate, this game did little to improve Donkey Kong's image. As such Donkey Kong wouldn't be heard from again for quite some time, while Mario would go on to become more recognizable than Mickey Mouse to a generation of children. Even more obscure was the hero of the game, a bug exterminator named Stanley. The first was called Greenhouse where his job was, quite expectedly, to exterminate bugs. The second was the portable LCD iteration of Donkey Kong 3 which pit Stanley directly against Donkey Kong in a battle of bug spray and mosquitoes. The first time that Donkey Kong 3 was made available for home play was on July 4, 1984 for the Famicom, making it the 16th game released for the system.

DK3 would never be heard from again until 2001 as a bonus game in Nintendo's Animal Crossing for the GameCube, and shortly thereafter in 2003 as one of the Nintendo eReader games for the Game Boy Advance. Rather than invading construction sites, Kong decided to set up shop in a greenhouse. Donkey Kong forms an alliance with the bees of the greenhouse who would love nothing more than to steal Stanley's vegetables. Now Stanley has to chase a hungry ape out of each section of his greenhouse and protect his plants. Collect it to fire super spray for a limited time. Donkey Kong. Model No PCHUMD5 Unisystem single monitor cabinet. Includes disassembly and part replacement instructions, part lists and diagrams. Originally provided with new Nintendo gun kits. I am submitting this because from what I understand if a score of a person's is successfully disputed, then every single score that person submitted to that track gets removed as well. Something I don't really understand since this score among others were already verified. But

whatever here is my 3.5 million score video. I submitted this because I cant find my 4.2 million DVD right now, and I think I dont have the complete DVD as well. This is the video most likely to be accepted, and so this is why Im submitting this. He Looks Like PSP Patrick Scott Patterson is this Correct you See a Glimce at11 15 of the Bottom Part 4 Video Im not even sure if there was a definitive answer on that topic, just like anything else here. Its a guessing game.

If a 3rd party video is uploaded which is the case in this instance, and the video disappears for whatever reason, then this submission can be disputed actually. If I were going to resubmit, I would do my best to talk to TG admin in trying to make this evidence as permanent as possible. For the microgame from WarioWare Twisted!, see Donkey Kong 3 WarioWare Twisted!. For the microgame from WarioWare Touched!, see Donkey Kong 3 WarioWare Touched!. Haru Mogitate 50 Kyoku. For the microgame from WarioWare D.I.Y. Showcase, see DK 3. It never became as popular as the earlier Donkey Kong titles, possibly due to the fact that it is more of a shooting game compared to the original platformers. Another major difference between Donkey Kong 3 and the earlier games is that the main character is not Mario, but rather Stanley. The game was later referenced as a microgame in both WarioWare Twisted. Donkey Kong 3 was ported to the Nintendo Entertainment System under the Arcade Classics Series of games, along with seeing a Virtual Console release for the Wii, Nintendo 3DS, and Wii U. Armed with a can of fly spray, Stanley must destroy the bees and chase Donkey Kong away before he eats all five of his vegetables. There are three rounds, and once the player completes all three, they return to the first. Throughout the levels are scattered various enemies Buzzbees, Beespies, Queen Buzzbees which shatter into deadly pieces when destroyed, Butterflies, Beebombs, Vine Eaters, and Creepies.

The bees attempt to steal Stanleys flowers, and the bees must be destroyed before reaching the

plants. Donkey Kong himself hangs from two vines at the top of the screen. Spraying him drives him upwards and eventually off the screen to win the level. In the arcade version, defeating him in the third stage causes his head to be pushed into a beehive. Stanley automatically moves out of his way as Donkey Kong falls, where the beehive splits in half. The third stage directly follows the first, but the second stage is included in all rounds following the first. When he is pushed up to its levels, it falls, allowing Stanley to equip it for a limited time. It turns his insecticide yellow and it becomes more powerful, even being able to defeat Creepies. See the help page for information on how to get started. Use your spray can to ward off any pesky critters, including Donkey Kong! Moves player. Resets game to Title Screen Uses spray can Spray Donkey Kong to where the power spray can is attached and it will drop to where Stanley can reach it. Use it when you are in trouble and need to fight back. Zap them before they return to their hive. Defend them all to receive an extra 500! Its movement is slow, but it can quickly revive after being sprayed. You will also lose a life if the timer runs down to zero or Donkey Kong drops to the floor. The key to success is to fire the spray cans as fast as possible at Donkey Kong while avoiding various enemies. It will make it much more difficult to hit him. Upon defeat they will shoot their stingers in four different directions. Directly below them is the ideal place to be. Retrieved April 3, 2019.
